EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant: figure drawing 1 should be label as "prior art". In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance: the cited prior art does not teach the automatic test arrangement in detail comprising the step of determining first, second and third electrical length from tester driver to the ground and the step of determining first difference value and second difference value from first and second electrical length and evaluating third difference value to determine the correctness of the calibration of the automatic test arrangement.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
